

Fishing at Mörrum river, Blekinge

Karlshamn region is famous for its amazing salmon fishing at the river Mörrum. Back in the year 1231 the river was a favorite fishing spot of the Danish royalty. Our company is glad to offer you fishing trips to this region. We will help you to book the accommodation and transfers to and from fishing places, we will arrange a professional fishing guide and equipment rentals, if needed.

Moreover we can offer a unique opportunity to rent the whole lake in this area for personal use of corporate clients.

Information:

- SEASON / Spring - autumn
- TYPES OF FISH / Salmon, sea trout, pike, zander
- FISHING LICENSE / Required for fishing in lakes and river. Fishing licenses can be booked with OK Travel, and then pick them up at the office of Sveaskog.
- GUIDES / Mörrum river is a difficult place to fish on your own, favorable fishing spots can be changed easily according to the flow and temperature of the water, weather and even time of the day. Whether you are an experienced fisherman or just a beginner, we would strongly recommend you to book fishing guide services.
- FISHING EQUIPMENT / If needed, fishing equipment can be rented at the spot.
- FISHING RULES/ fishing rules depend on the area you are fishing at. At some places both spinning and fly fishing are allowed, in others – only fly fishing. Ask our managers for more detailed information.
- TRANSFERS / Nearest international airport is – Copenhagen. There the car can be rented or you can take a train, which will take you to Blekinge
